NEWS

Alpha Gamma Rho Fraternity at Texas Tech University

Alumni help urgently needed Recruiting seminar planned

The national office of Alpha Gamma Rho Fraternity will be conducting a recruiting seminar for the Beta Xi Chapter on Friday May 20, and Saturday, May 21. The seminar will be held in the meeting room of the Gregory-Hart Research Center at Triumph Seed in Ralls, Texas.

Alumni participation in this very important meeting is desperately needed. Most recruiting seminars are held at out-of-state locations, however, responding to the appeals of our local chapter, the national staff has agreed to travel to Lubbock to conduct this special seminar.

Our chapter is facing a critical time in recruiting. With thirteen active brothers, Beta Xi is counting on a very successful summer and fall rush.

This seminar will focus on short and long range issues that our active members are facing in recruiting. Alumni participation in planning and executing a solid recruitment process is essential.

Due to the nature of the program, nationals has asked that actives and alumni make plans to attend both Friday and Saturday to make our time most productive.

If you can attend this seminar, please contact Derek Racca at 806-628-0120 or dracca@triumphseed.com ASAP.

Alumni corporation issues a call for donations

Have you paid your alumni dues?

The Beta Xi Alumni Corporation is in need of financial support from all Beta Xi alumni, according to Greg Stenberg, corporation treasurer.

Brother Stenberg reported at the Beta Xi Alumni Meeting on April 16, 2005, that **the alumni corporation is in need of funds to pay property taxes** as well as other invoices from the National Fraternity.

Alumni dues are currently set at \$25 per alumni per year. It was voted on and approved at the alumni meeting that the corporation treasurer postal-mail a donation/invoice request after January 1 of each year to notify alumni of dues.

Please send your dues and/or donation to:

**Chapter seeks to improve its
financial accountability**

One of the chapter's goals for 2005 is to improve its financial record keeping and accountability. In recent weeks the chapter finance officer and adviser have worked hard to develop a reliable electronic accounting system that can easily be passed on as officers change.

Another key improvement in this area is that the Alumni Corporation Board of Directors will audit the chapter's books during the weekend of Farmer's Ball each year.

**Chapter announces activities
Alumni encouraged to attend**

In a continued effort to increase communication with alumni, the active chapter is pleased to announce its schedule of Fall activities.

Alumni are encouraged to participate as often they can, as your participation can only help to strengthen our brotherhood.

More information will be forwarded to alumni when further plans are made. All updated information will be available on the Beta Xi website at www.agrbx.org.

Mark your calendar, and plan to join us in the fall!

**Are you on-line with Beta Xi
Stay up-to-date through e-mail**

If you are not receiving Beta Xi news and happenings via e-mail, it's because you're not connected! **Get connected by sending an e-mail to dracca@triumphseed.com** and we'll keep you up-to-date on the latest happenings.

Don't worry about being bombarded with useless information...we keep it simple and to the point, and it's saves us money by not having to pay postage!
